25X1

1. On 2 July 1955, vehicular traffic at the "Batzenhaeusl" on Pfarrgasse in Baden included trucks                      and weapon carrier                      25X1  
                     all drivers with red-bordered black epaulets; jeep                      and ambulance  
                     drivers with black-bordered blue epaulets; and sedan O 4-50-07, trucks                      25X1  
                     and jeeps                      Officers with black-bordered red, red-bordered black and black-bordered black epaulets were observed.
2. The following vehicles were observed at the former Flak Kaserne on the road to Soos: trucks                      25X1  
                     van-like truck                       
                     and tank truck                      all drivers with red-bordered black epaulets;  
                     truck                      with trailer                      sedan                      and van-like truck                      25X1  
                     Officers wearing blue-bordered blue, red-bordered black, black-bordered red and black-bordered black epaulets were observed. An 8-meter-high iron lattice mast with two devices in the shape of loudspeakers on its upper end was seen in the yard of the installation.
3. Truck                      and sedan                      driven by soldiers with red-bordered black epaulets, left Helenentalhof at 59 Helenen Strasse. No activity was observed at the signal training grounds. Fourteen trucks, 4 van-like trucks and 5 tanks were apparently parked in the fenced-in section of the installation. 25X1
4. On 2 July, a dispensary was located at 98-100 Helenenstrasse.
5. Vehicular traffic at the installation at 63 Muehlgasse included truck                      25X1  
and van-like truck                      The installation was guarded by a sentry with black-bordered black epaulets. The drum net aerial was still observed there. Five van-like trucks and four motor vehicles of different type were parked under the lean-to roof of the installation, 25X1
6. Tank trucks                      were parked in front of the 25X1  
installation at 14-16 Waltersdorfer Strasse. 25X1
7. On 2 July, the following motor vehicles were observed in the area of Baden: truck                      25X1  
                     driver with black-bordered red epaulets; van-like truck                      25X1
